SALARIES HELD UPSouthern Pacific Will Not Cut
Wages as Contemplated**DEFER ACTION TO JULY 1**

If Business Conditions do Not Im-
prove in the Next Three Months
Then a New Wage Scale Will be
Considered.

WASHINGTON, June 25.—It is understood here that the Southern Railroad Company will not reduce the wages of its employees as was contemplated. Last March the company announced its intention of reducing wages at that time and numerous conferences were held between officials and representatives of the employees, the result of which was to defer action until July 1. Commissioner of Labor Neill and Chairman Knapp, of the Interstate Commerce Commission acted as intermediaries at these conferences.

It was agreed at that time that if business conditions along the line of the railroad had not improved at the end of three months a new wage scale would be taken up for consideration. Several conferences between the same parties have been held within the past few days and as a result the probationary period has been extended for three months. It is said that business in the south is reviving and at the end of the three months the Southern Pacific will not find it necessary to make any wage reductions.

SELLS ILLINOIS CENTRALStuyvesant Fish Will Discontinue
His Interest In The Road

CHICAGO, June 25.—The Inter Ocean says:

While in the last few weeks Stuyvesant Fish, formerly president of the Illinois Central R. R. is said to have sold approximately 10,000 shares of his Illinois Central holdings. With the liquidation of the balance of his holdings—a matter of 2,500 share which, it is presumed will soon take place, he will discontinue his interest in the road he began to build 30 years ago and over whose destinies for twenty years he presided as president.

The Fish connection with Illinois Central affairs, now believed to be drawing to a close, covers a remarkable period in the railroad history of the country and in that period no figure was more conspicuous than Stuyvesant Fish. The picturesque and long drawn out fight waged against him by Edward H. Harriman for the control of the Illinois Central defeat in which is apparently acknowledged with the sale of stock, was only a type of the battles he fought through three decades.

DIARRHOEA

There is no need of anyone suffering long with this disease, for to effect a quick cure it is only necessary to take a few doses of

Chamberlain's Colic, Cholera and Diarrhoea Remedy

In fact, in most cases one dose is sufficient. It never fails and can be relied upon in the most severe and dangerous cases. It is equally valuable for children and is the means of saving the lives of many children each year.

In the world's history no medicine has ever met with greater success.

LAUNDRIES.

Those Pleated Bosom Shirts
The kind known by dressy men in
the summer, are difficult articles to
launder nicely. Unless you know just
how to do it, the front pleats won't
iron down smooth, and the shirt
front will look mussed. Our New
Press Ironer irons them without
rolling or stretching. Try it.
